

Remarks

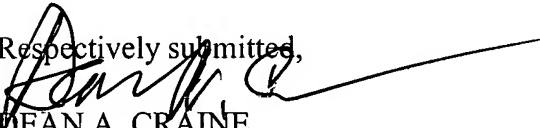

1. Claims:

In response to the Office Action mailed on June 17, 2004, please amend the Claims 1, 3 and 4 as indicated herein.

More specifically, Claim 2 was objected to as being dependent upon a rejected base claim, but would be allowable if rewritten to include all of the limitations of the base claim. Claims 3, 4 and 6 would be allowable if rewritten. Claim 2 is now cancelled and Claim 1 has now been rewritten to include the limitation originally recited in Claim 2. Claims 3 and 4 have been rewritten to more clearly recite the invention. No new matter is being introduced by these changes. Because Claim 5 is dependent upon Claim 1 (Currently Amended), Claims 1, 3-6 should now be considered allowable.

2. Drawings:

The proposed drawing correction filed on November 10, 2003, has been approved, however the replacement sheet was not received. Enclosed herewith is a replacement sheet that includes the corrections shown in the proposed drawing sheet. New formal drawings will be submitted after Notice of Allowance.

Respectively submitted,

DEAN A. CRAINE.
